Dear Susie,

I just wanted to say a huge thank you to you and your colleagues at the Chamber of Commerce for your support of Torbay's Homeless and Rough Sleepers with your generous gifts at Christmas time.

Christmas can be a difficult time for those who are homeless and possibly estranged from their family. A gift can be very powerful in helping people to know that they are not forgotten and that others care about them. In the week before Christmas, a young man called into Safe Space asking for help. He had been rough sleeping for about two weeks after a breakdown in his family relationships. He had no clean clothes and was feeling pretty low. As well as the practical help of ensuring he had a safe place to sleep, a chance to shower and wash his clothes, have a hot drink and something to eat, we gave him one of the presents your organisation had kindly donated. He was overwhelmed and thankful that others had thought of him and cared enough to provide gifts.

I hope that you will pass on my thanks to your colleagues for their thoughtfulness and generosity. I hope we can continue to work together to support Torbay's Rough sleepers and Homeless.

Yours sincerely
